

**St. Louis Crusader's Summertime  
Adventure 2010  
Preschool-1<sup>st</sup> Grade**

- June 7-18**      **Space Travel-** Join us for a week of out of this world excitement. Learn about stars, planets, and rockets. We will eat pieces of the moon and create a shiny solar system.
- June 21-25**      **Tropical Adventure** – Do you know how to Hula Dance? Join us for a tropical adventure and learn about Hawaii, rainforests and the jungle. Have fun learning about animals of the jungle.
- June 28-July 2**      **(Vacation Bible School)** - Circus of Stars; Spotlight on the Father. Join us for a week full of fun learning about the Father and growing in our Catholic faith while having fun at the circus.
- July 5-16**      **Fur and Feathers** – (Center closed July 5<sup>th</sup> for the holiday). We will go on an awesome adventure to investigate animals that have fur and feathers as a part of their body. We will also learn about awesome plants and meet animals face to face from a visit to our center from the zoo.
- July 19-30**      **Prehistoric Stomp-** How big and how small are the different feet of the dinosaurs? We will learn about different dinosaurs, what they eat, and how they became extinct. We will make dinosaur fossil castings, along with some great dinosaur crafts.

**August 2-13**

**Our Big Green World-** Learn how we can keep our environment clean. We will visit several places that teach us how to recycle and take care of our world. We will also spend time out at the farm growing our inside summer garden.

**August 16-27**

**Holiday Fanatics** – A fun filled week looking at different traditions and practices for the holidays. Join us for the Chinese New Year, Halloween, Christmas and much more. We will spend these weeks learning about tradition and celebration.

**Swimming Lessons will be available from the City of Louisville; you must sign up at the beginning of the registration time to ensure a spot in a class. They will be held at Memory Square swimming pool from 10:05am-10:25am.**

**Additional activities offered throughout the summer will be swimming, nature walks, and scavenger hunts, cooking projects and a variety of crafts.**

**Snacks will be provided each day. Sack lunches will be required since hot lunch is not available during the summer. Please provide lunches that do not require heating. Please no Peanut Butter!!**
