

## St. Louis Crusader's Summertime Adventure 2010 Grades 2<sup>nd</sup>-7<sup>th</sup>

- June 7-11**      **Space Travel-** Join us for some space exploration and go on a fieldtrip to the planetarium. We will focus on the solar system and build a scale model of it. We will study space travel by rocket, shuttle, and moon rover. We will build and launch rockets using the power of air pressure and water.
- June 14-18**      **Hollywood-** Join us for a week of fun in Hollywood. We will put on skits, wear our best bling, dress in high fashion and create our own set for American Idol.
- June 21-25**      **Tropical Adventure** - Join us for a trip to the rainforest at the zoo. We will learn about the climate and festivities of Hawaii. We will end the week with a Luau dance that the campers will plan throughout the week. Parents are welcome to join us for the Luau. Wear your Hawaiian shirts, grass skirts and make real leis during this fun filled week.
- June 28-July 2**      **(Vacation Bible School)** - Circus of Stars; Spotlight on the Father. Join us for a week full of fun learning about the Father and growing in our Catholic faith while having fun at the circus.
- July 5-9**      **Fur and Feathers** – (Center closed July 5<sup>th</sup> for the holiday). We will go on an awesome adventure to investigate animals that have fur and feathers as a part of their body. We will also learn about awesome plants and meet animals face to face at the zoo.

- July 12-16**      **Write It-** We will practice being a journalist. Each camper will assist in creating a Summer time newspaper. The newspaper will share summer events that are happening here at St. Louis. We will be learning photography from a professional photographer, poetry, interviewing techniques and how to write an article.
- July 19-23**      **Prehistoric Stomp-** How big and how small are the different feet of the dinosaurs? We will learn about different dinosaurs, what they eat, and how they became extinct. We will make dinosaur fossil castings, along with some great dinosaur crafts.
- July 26-30**      **Our Big Green World-** Learn how we can keep our environment clean. We will visit several places that teach us how to recycle and take care of our world. We will also spend time out at the farm growing our summer garden.
- August 2-6**      **Holiday Fanatics** – A fun filled week looking at different traditions and practices for the holidays. Join us for the Chinese New Year and learn about St. Valentine, end the week with a Halloween monster mash.
- August 9-13**      **2010 Science and Math Camp-** Back by Popular Demand! The St. Louis School for Apprentice Wizards and Magicians. (Sometimes referred to by Parents as the 2010 Science and Math Camp). Walk through a piece of paper, make plastic from milk, make eggs bounce, learn how to become an instant millionaire and more...
- August 16-20**      **Back to School-** Join us for a week of back to school where we will do a scavenger hunt at the school, create autograph books, and we will have an end of the summer party cooking some great dishes together to share at the end.

**Swimming Lessons will be available from the City of Louisville; you must sign up at the beginning of the registration time to ensure a spot in a class. They will be held at Memory Square swimming pool from 10:05am-10:25am.**

**Additional activities offered throughout the summer will be swimming, nature walks, and scavenger hunts, cooking projects and a variety of crafts.**

**Snacks will be provided each day. Sack lunches will be required since hot lunch is not available during the summer. Please provide lunches that do not require heating. Please no Peanut Butter!!**
